From Chef de Mission

Peter Brüll, Chef de Mission

The Finnish Olympic Committee as well as the Finnish team in Tbilisi are awaiting the Youth Olympic Games with a lot of expectations. Finnish Team comprises 60 athletes. For most of the athletes on the team it is their first big international event. Finnish athletes will strive for victories and success. Medals or records are not the main reason to participate in this wonderful event. Gaining experience and increasing motivation to train even harder in order to become an elite athlete is what matters the most.

Mikaela Ingberg, Deputy Chef de Mission

Together we are heading towards an adventure and I hope this trip will be the beginning of your journey towards even bigger competitions and greater achievements. We are representing the Finnish colors at the EYOF and will do it with pride, and most of all, with excitement. I hope you will have a memorable experience, learn plenty of new things and make new friends. Remember, "together everyone achieves more"! Pidetään lippu korkealla, hyvä Suomi :)

Athlete's message

Jarkko Ala-Huikku, two-time Olympian and European Champion in Greco-Roman Wrestling 2008

You have worked hard, it is your turn to shine, it is time to celebrate! It's time to show everyone the best of you. You have trained hard every day, you know what you can do, and this is enough to lead towards good results and wanted outcomes. Take it easy and remember this is an important milestone at the beginning of your international career. Enjoy every moment!

Minttu Tuominen, two-time Olympian and Olympic bronze medalist in women's ice-hockey

Inspire and be inspired! Not everyone gets to represent their country doing something that they love and something they have worked for years, maybe even their whole life. But you get to do it at such a young age! So make the most of this experience, cherish it every day, give 100%, and HAVE FUN!

Jarkko and Minttu both travel to Tbilisi to work as team officials and sports ambassadors in the Finnish team.

Olympic sports in Finland

Finnish athletes have taken part at every Olympic Games since the 1906 Intercalated Games in Athens. During the first half of the 20th century Finland was counted among the great powers of Olympic sports. The most successful Finnish sports at the time were track and field athletics and wrestling. Finland's Paavo Nurmi won nine gold and three silver medals in long-distance races at three Olympic Games between 1920 and 1928.

Helsinki had been awarded the Olympic Games of 1940, which were cancelled due to the Second World War. Instead, the Finnish capital hosted the Games of the XV Olympiad in 1952, where a total of 4,925 athletes from 69 countries competed for medals in 149 events.

At the London Olympic Games in 2012 Finnish athletes won one silver and two bronze medals. The latest Finnish Olympic champion at Summer Games is Satu Mäkelä-Nummela, who won gold in women's trap shooting in Beijing 2008. In the all-time medal statistics of Olympic Summer Games Finland occupies 14th place with 104 gold, 85 silver and 118 bronze medals. In the Olympic Winter Games medal table Finland is currently tenth with 42 gold, 62 silver and 57 bronze medals.

Finland has participated at every European Youth Olympic Festivals since the beginning in 1991 and has twice served as host of the event: the winter EYOF of 2001 was held at Vuokatti and the summer EYOF of 2009 in Tampere.

**SUCCESS DOESN'T JUST
COME AND FIND YOU,
YOU HAVE TO WORK
HARD AND GO OUT
AND GET IT.**
